and UDD 361 MNJ 2008, dated 27-7-2011)

GSR 72.—In exercise of the powers conferred by Section 69 of the Bangalore Development Authority Act, 1976 (Karnataka Act 12 of 1976), the Government of Karnataka, hereby makes the following rules, namely.—

1. Title and commencement.—(1) These rules may be called the Bangalore Development Authority (Allotment of Civic Amenity Sites) Rules, 1989.

(2) They shall come into force at once.

2. Definitions.—In these rules, unless the context otherwise requires.—

- (a) "Act" means the Bangalore Development Authority Act, 1976 (Karnataka Act 12 of 1976);
- (b) "Civic Amenity site" means a site earmarked for civic amenity in a layout formed by the authority or a site earmarked for civic amenity in a private layout approved by the authority and relinquished to it;
- (c) "Form" means a form appended to these rules;
- (d) "Institution" means an institution, society or an association registered under the Karnataka Societies Registration Act, 1960 (Karnataka Act 17 of 1960) or a Co-operative Society registered under the Karnataka Co-operative Societies Act, 1959 (Karnataka Act 11 of 1959) or a trust created wholly for charitable educational or religious purpose;
- (e) "Lease amount" means the rent as may be fixed by the authority having regard to all relevant factors including the market value of the site;

- (f) "Lessee" means an institution to which a civic amenity site is allotted and which has entered into an agreement with the authority in that behalf;
- (g) "Section" means a section of the Act;
- (h) Words and expressions used herein but not defined shall have the meaning respectively assigned to them in the Bangalore Development Authority Act, 1976.

CASE LAW

Rule 2(b) — Petroleum outlet — Long term lease of civic amenity site for opening of — Since State Government, in exercise of power conferred on it by Act, has issued notification specifying "petroleum outlet" also as civic amenity, lease, held, is according to law — Since grant of lease is to Government company, want of public auction, would not vitiate grant, as such company is entitled under rules to such allotment — Since, in common parlance, "petroleum outlet" includes "diesel outlet", sale of diesel by lessee, held, is not violative of terms and conditions of lease.

N.K. Jain, C.J. and V.G. Sabhahit, J., Held: Section 2(bb)(vi) enables Government to issue notification specifying civic amenity and in exercise of said power notification was issued on 29-8-1990. Mere fact that diesel is not specifically mentioned would not vitiate grant of lease for opening outlet as the term "petroleum outlet" is used in common parlance. Since second respondent is a Government company, in view of Civic Amenity Site Allotment Rules question of auction would not arise. Petitioners have failed to prove that impugned action of lease of site to second respondent violates fundamental rights or any legal right of the public. — *Aicoboo Nagar Residents Welfare Association, Bangalore v Bangalore Development Authority, Bangalore and Another*, 2002(6) Kar. L.J. 260A (DB) : ILR 2002 Kar. 4705 (DB).

3. Offer of civic amenity sites for allotment. —(1) The authority may out of the Civic amenity sites available in any area reserve such number of sites for the purpose of providing civil amenity referred to in sub-clauses (i) and (v) of clause (bb) of Section 2, by the Central Government, the State Government, Corporation or by a body established by the Central Government or the State Government.

(2) After making reservation under sub-rule (1) the authority may, subject to Section 38-A and general or special orders of the Government, and having regard to the particulars type of civic amenity required to be provided in any locality offer such of the remaining civic amenity sites for the purpose of allotment on lease basis to any institution:

Provided that the authority shall while so offering the civic amenity sites reserve eighteen per cent of such sites for being allotted to an institution established exclusively for the benefit of Schedule Castes the majority of members of which consists of persons belonging to Schedule Castes and three per cent of such sites to an institution established exclusively for the benefit of Scheduled Tribes the majority of members of which consists of persons belonging to Scheduled Tribes, ¹[and two per cent of such sites for being allotted to an institution established for benefit of physically and mentally disabled belonging to the Scheduled Castes and the Scheduled Tribes] and if at the time of making allotment sufficient number of such institutions are not available the remaining sites so reserved may be allotted to other institutions.

(3) Due publicity shall be given in respect of civic amenity sites so offered for leasing to the institutions, specifying their location, number, dimension, purpose, and last date for submission of application and such other particulars as the Commissioner may consider necessary, by affixing a notice on the notice board of the office of the authority and also by publishing in not less than two daily news papers in English and Kannada having *vide* circulation in the City of Bangalore.

CASE LAW

Rule 3(3) — Offer of civic amenity sites for allotment — Rule requiring Authority to give due publicity to — Application of Rule is not attracted for leasing out sites remaining after reservation are made, as per direction of Government.

R. Gururajan, J., Held: Sub-rule (2) of Rule 3 says that after making reservation under sub-rule (1) the Authority may, subject to Section 38-A and general or special orders of the Government and having regard to the particular type of civic amenity required to be provided in any locality offer such of the remaining civic amenity sites for the purpose of allotment on lease basis to any institution. . . . A careful reading of Rule 3 would show that Rule 3(2) is subject to Section 38-A and general or special orders of the Government in the matter. When there is a standing order of the Government in the matter of lease of the land to BDA, the question of violating Rule 3 does not arise. Rule 3 would apply to only to such cases which are not governed under Section 38-A of the Act. — *NAL Layout Residents' Association, Bangalore and Another v Bangalore Development Authority and Another*, 2005(3) Kar. L.J. 86.

4. Disposal of sites reserved.—Notwithstanding any thing these rules, the sites reserved under sub-rule (1) of Rule 3 may be allotted to the

1. Inserted by Notification No. UDD 74 MNJ 2009, dated 20-4-2010, w.e.f. 17-5-2010

categories specified therein on lease basis by the authority for the purposes of providing civic amenity subject to such terms and conditions as may be specified by it.

CASE LAW

S. 4 — Allotment of C.A. site reserved for playground and college — To start an educational institution by the Society — Whether valid? .. .

HELD: The allotment was made in the year 1994. There was no objection by the petitioners who are the residents of the locality for reserving the site for public amenities. The Authority had leased the property in accordance with the provisions of the Act. The petitioners have not questioned the notification issued by the B.D.A. for allotment. It is not shown as to how these petitioners are affected by the allotment of C.A. site, for the purpose for which it was reserved. There is no violation of the provisions of B.D.A. Act by allotment of C.A. site. — *The Residents of Mico Layout, III Stage, Bangalore and Others v J.S.S. Mahavidya Peetha, Mysore and Others*, 1997(4) Kar. L.J. 442B.

5. Registration.—(1) Every institution applying for civic amenity site shall register itself with the authority on payment of registration fee specified in the table below. If any institution withdraws the registration, the authority shall refund to such institution the entire registration fee paid by it after deducting ten per cent of the registration fee towards service charges. The Registration shall be done in Form I.

TABLE

| | Area of site in sq. metres: |

| 2000 and above but below 4000 | Rs. 7,500 |
| 4000 and above | Rs. 10,000 |

(2) The Registration once made shall be valid for subsequent allotment unless the institution withdraws the registration.

(3) The registration fee paid shall not be refundable or adjustable if a civic amenity site is allotted to an institution.

6. Eligibility.—(1) The authority may allot civic amenity site on lease basis only to an institution which is registered under Rule 5.

(2) Civic amenity site shall not be allotted to any institution unless it has capacity to provide the type of civic amenity for providing which the site is offered.

7. Principles of Selection of institutions for leasing out civic amenity sites.—(1) The authority shall consider the case of each institution on its merits and shall have special regard to the following principles in making the selection.—

- (a) The objectives and activities of the institution and public cause served by it since its establishment;
- (b) The financial position of the institution;
- (c) The present location of the institution;
- (d) The benefit likely to accrue to the general public of the locality by allotment of the civic amenity site;
- (e) The *bona fide* and genuineness of the institution as made out in the annual reports, audit report *etc.*;
- (f) The need of the civic amenity site by the institution for providing the civic amenity in question.

(2) For the purpose of sub-rule (1), the authority may constitute a separate committee to be called "civic amenity site allotment committee" consisting of three official members and three non-official members. The Chairman of the authority shall be the Chairman of the Civic Amenity Site Allotment Committee.

(3) Subject to the approval of the authority, the decision of the Civic Amenity Site Allotment Committee shall be final.

CASE LAW

Rule 7 — Allotment of civic amenity sites — Bangalore Development Authority notified inviting applications — Site reserved for setting up a nursing home — But allotted an applicant to start an educational institution — Unsuccessful applicant challenged allotment in writ petition — Held — In public notice issued by Bangalore Development Authority, it is earmarked for starting a nursing home — No comparative evaluation of merits of each applicant — Committee not taken decision to allot site by itself — Abdicated their power and surrendered it to Chairman and Commissioner — Allotment is contrary to statutory provisions of law and illegal — Allotment cancelled — Matter remitted back to Committee — [Constitution of India, Article 226 — Writ petition].

N. Kumar, J., Held: The property in question is a civic amenity site. It was notified for allotment by way of public notice. In the public notice issued, it is earmarked for starting a nursing home. The allotment of a civic amenity site is governed by the provisions of Bangalore Development Authority (Allotment of Civic Amenity Sites) Rules, 1989. According to Rules after receipt of the applications in pursuance of an advertisement issued, the

Committee shall consider of case of each of the institution which has applied for allotment of a civic amenity site on its merits. In considering the claim of each of the applicants on merits, sub-rule (1) categorically provides what are the factors which should weigh in the minds of the members of the Committee while making a selection. It is after comparative comparison on the merits of each applicant, they have to take a decision. After the decision is taken, if it is approved by the authority i.e., the Bangalore Development Authority, this decision of the Committee would be final. . . . A reading of the resolution makes it clear that they have received four applications and one statement of objections insofar as site which is earmarked for nursing home. A discussion took place in the said meeting. Thereafter they have taken a decision to authorise the Chairman and Commissioner of the Bangalore Development Authority to take a decision in the matter of allotment. The proceedings of the Bangalore Development Authority shows that the proceedings of this Committee is confirmed. It is thereafter the allotment letter has been issued. . . . From undisputed facts, it is clear in the first place that there is no reference to the application of the applicant in the resolution. There is no comparative evaluation of merits of each applicant. Moreover the committee has not taken any decision to allot the site by itself. They have abdicated their power and surrendered the same to the Chairman and the Commissioner of the Authority. Therefore, it is clear the allotment made in those circumstances is contrary to the statutory provisions of law, illegal and cannot be sustained. — *S.G.R. Technical and Educational Society, Bangalore v State of Karnataka and Others*, 2008(1) Kar. L.J. 642.

Rule 7. — Civic amenity site — Selection of institution for allotment of — Institution not qualified or eligible for allotment cannot question made. — Where authority has made allotment after inviting applications and after duly considering cases of all applicants, decision making process followed by authority is to be held as just and proper and Court cannot in exercise of writ jurisdiction, re-examine comparative merits of applicants. — *S.G. Heble and Others v Bangalore Development Authority and Others*, 1997(7) Kar. L.J. 352D.

Rule 7 — Civic amenity site — Institution selected for allotment of, for construction of community hall — Ground for cancellation of allotment — Mere apprehension that institution may utilise community hall to be constructed by it, for commercial purpose by using it as Kalyan Mantap, cannot be ground for cancellation of allotment — It is for authority to take appropriate action if conditions of allotment are violated. — *S.G. Heble and Others v Bangalore Development Authority and Others*, 1997(7) Kar. L.J. 352C.

Rule 7(1) — Civic amenity site — Procedure for selection of institution for allotment of — Case of each institution which has applied for allotment has to be considered — Where in respect of particular civic amenity site,

allotment made to one applicant-institution, without considering cases of other applicants on merits, is to be held vitiated and liable to be quashed.

Chandrashekaraiah, J.,—Sub-rule (1) of Rule 7 provides that the authority shall consider the case of each institution on its merits. Sub-rule (2) of Rule 7 provides for constitution of the Committee for the purpose of allotment of Civic Amenities Sites. Pursuant to sub-rule (2) of Rule 7, the Committee has been constituted. The B.D.A. has placed all the applications filed before the Committee. Sub-rule (1) of Rule 7 provides that every application filed by the institution is to be considered on its own merits. From the proceedings, it is seen that there is no consideration of any of the application filed seeking allotment of Site No. 4 of Pillanna Garden by the Committee. Therefore, selection of respondent 2 without considering the other applications on their own merit is in breach of sub-rule (1) of Rule 7 of the Rules. . . . The B.D.A. has not produced any material to show that each of the applications filed has been considered on merits. If that is so, the allotment of site made by the B.D.A. on the basis of the selection made by the Committee is totally illegal and is liable to be quashed. — *Vineeth Education Society (R), Bangalore v The Bangalore Development Authority, Bangalore and Another*, 1999(6) Kar. L.J. 101.

8. Lease amount of the allotted to institutions.—(1) The lease amount of the site to be allotted on lease basis in any area shall be fixed by the authority:

¹[Provided that the lease amount of a site allotted to the Bangalore Mahanagar Transport Corporation, for the purpose of constructing a bus depot or a bus stand in the layouts formed by the authority, shall be the cost of the land plus twenty per cent thereof towards expenses.]

(2) The lease amount may be notified while inviting or in annual installments during the lease period.

(3) The lease amount of a site notified while inviting applications may be altered by the authority and the institutions may accept the site at the altered rate or decline allotment.

(4) Allotment may be made at fifty per cent of the lease amount fixed by the authority in the following case.—

(a) Institutions established for the welfare of physically and mentally handicapped², Scheduled Castes and the Scheduled Tribes]:

³[Provided that in respect of an allottee under clause (a) who is not allowed with the benefit of reduction of fifty per cent of lease amount shall be allowed fifty per cent reduction in the annuity lease amount from the date of

CASE LAW

Rule 8 — Allotment of site — Resolution for — Mere passing of resolution by Authority to allot particular site at specified rate does not create any right in applicant unless allotment letter is issued to him.

HELD: The site that was proposed to be allotted under Resolution dated 16-4-1994 was not available and as a result of which the petitioner was not issued the allotment letter. Since allotment letter was not issued to the petitioner, the petitioner did not accrue any right on the said site. — *Matadahally Jagajivan Ram Sarvodaya Sangha (Registered), Bangalore v Bangalore Development Authority, Bangalore, 1999(2) Kar. L.J. 212B.*

Rule 8(3) — Lease amount — Alteration of — Authority is competent to alter lease amount notified while calling for applications — No right vested in applicant to insist that allotment must be at notified rate — Where applicant could not be allotted site notified for allotment in 1994 at Rs. 150 per sq. metre and was therefore, offered alternative site in 1997 at Rs. 650 per sq. metre, choice open to applicant is either to accept offer at altered rate or to decline it.

HELD: Assuming that the rate is the altered rate, as per Rule 8(3) of the Rules it is for the petitioner to accept the same or decline to accept the allotment. The option is left to the petitioner. — *Matadahally Jagajivan Ram Sarvodaya Sangha (Registered), Bangalore v Bangalore Development Authority, Bangalore, 1999(2) Kar. L.J. 212A.*

9. Application.—(1) The institutions registered under Rule 5 may apply in Form II for allotment of a civic amenity site along with initial deposit at ten per cent of the notified lease amount of the site.

(2) The applications shall be presented in person or sent by registered post so as to reach the office of the Commissioner before the last date and time fixed for the receipt of such applications. The applications received after the due date and time fixed and which are defective and incorrect are liable to be rejected.

10. Conditions of allotment of civic amenity sites.—(1) Allotment of civic amenity sites under these rules shall be on a lease basis for a period not exceeding thirty years.

(2) The institutions to which the civic amenity sites are allotted shall within a period of ninety days from the date of receipt of notice of allotment pay to the authority either the balance lease amount after deducting the initial deposit in one lumpsum or pay the first annual installment of the lease amount in which case initial deposit paid along the application shall be adjusted only towards last installments.

(3) If the lease amount or the annual installment is not paid within the period of ninety days, further extension of time not exceeding sixty days may be given and the institution shall pay in addition, interest at the rate of eighteen per cent on the said amount for the extended period. If the lease amount or the installment is not paid within such extended period also, then registration fee and the initial deposit shall be liable to forfeiture and the allotment cancelled without any period intimation:

¹[Provided that no interest shall be levied, demanded or collected from Government Departments or undertakings for the delayed payment of the lease amount or annual instalments.]

(4) After payment under sub-rule (2) or, as the case may be, under sub-rule (3) is made, the authority shall call upon the institution to execute a lease agreement in Form III and after the execution of such agreement by it and the authority, the same shall be registered by the institution. If the agreement is not executed within forty five days after the authority has called upon the institution, to execute such agreement, the registration fee and initial deposit paid by the institution may be forfeited and the allotment of the site cancelled. The amount paid by the institution towards the lease amount shall be refunded to the institution after deducting such expenditure as might have been incurred by the authority.

(5) As soon as may be possible after the registered agreement is submitted to the authority, the possession of the site shall be handed over the lessee. The lease period commences from the date of registration of the lease agreement.

(6) The annual installment shall be paid by the lessee in terms of the lease agreement executed under sub-rule (4):

²[x x x x.]

(7) The lessee shall complete the construction of the building within a period of three years from the date of registration of the lease agreement or

[such extended period, not exceeding three years, as the Authority may in specified case by written order permit, subject to payment of penalty at such rates as may be notified by the State Government from time to time]. If the building is not constructed within the said period, the allotment may, after giving reasonable notice to the institution, be cancelled, the agreement revoked and the lessee evicted from the site by the authority and after forfeiting twelfth and half per cent of the lease amount paid by the institution the authority shall refund the balance to the institution.

(8) With effect from the date of taking possession of the site, the lessee shall be liable to pay the taxes, fees and cesses payable in respect of the civic amenity site and any building erected thereon.

(9) The lessee shall not become the owner of, or derive any title to, the site allotted.

(10) The lessee shall not sub-divide or alienate or create any charge on, the civic amenity site.

(11) The lessee shall exclusively use the site for providing the civic amenity for which it is allotted.

(12) If the lease is not renewed, or has been determined or terminated before the expiry of lease the site allotted along with the buildings thereon shall after the expiry of the lease or as the case may be after the termination or determination of the lease vest in the authority free of cost and free from any encumbrance and the authority shall have right to enter premises and take possession thereof.

(13) The lessee shall comply with the conditions of the agreement executed and other rules, bye-laws of the authority or the Corporation, as the case may be, for the time being in force.

CASE LAW

Rule 10(5) — Possession of site allotted — Failure of authority to hand over to allottee — Allottee who had paid site value and has executed lease agreement, is entitled to be put in possession of site — Where authority, instead of handing over possession of site, had, after lapse of four years, made fresh allotment of smaller site for higher value in lieu of larger site already allotted, and demanded payment of differential site value, such action of authority, held, is legally unjustified — *Mandamus* lies to authority to hand over to allottee possession of site in respect of which he had already executed lease agreement.

1. Substituted for the words "such extended period as the authority may in any specified case by written order permit" by Notification No. UDD 75 MNJ 98, dated 23-4-1998, w.e.f. 24-4-1998

Mohamed Anwar, J., Held: An application in the prescribed form for allotment of a civic amenity site in Nandini Layout formed by BDA, for the purpose of Community Hall was made by the petitioner to the BDA authorities. On that application, the site measuring 1225 Sq. Mtrs. was duly allotted by the BDA to the petitioner under its order dated 9-8-1994 fixing the price therefor at Rs. 3,67,500/-. The price amount of the said site was also duly paid to the BDA and that the registered lease deed in the prescribed form has been executed. Then what was required on the part of BDA was to put the allottee in actual physical possession of the allotted site. . . The authority was legally duty-bound to deliver possession of the site to the lessee for its enjoyment in terms of the lease deed. Instead of delivering possession of the site to the lessee, the BDA after about 4 years proceed to issue another allotment order dated 3-8-1998 in petitioner's favour, stating that in lieu of the said bigger site measuring 1225 Sq. Mtrs. another smaller site measuring 467 Sq. Mtrs. has been allotted to the petitioner. . . It is not the case of the respondent-BDA that the earlier allotment of the bigger site made under its order dated 9-8-1994 had been fully cancelled. Thus, there was no sufficient legal justification for BDA to take away the said allotted site from the petitioner-lessee and to compel it to accept another smaller site indicated in its subsequent order dated 3-8-1998 in lieu thereof. . . The impugned Annexure dated 3-8-1998 is quashed. Respondents are directed to deliver to the petitioner-lessee the physical possession of the site shown in the BDA's order dated 9-8-1994 in terms of the lease deed. — *The Secretary, Committee of Management, Sree Siddalingeswara Swamy Shrine, Yediyur, Kunigal Taluk, Tumkur District v The Bangalore Development Authority and Another*, 2002(3) Kar. L.J. 262 : ILR 2001 Kar. 3034.

Rule 10(7) — Petitioner failed to construct a building in accordance with terms and conditions of lease — Cancelled allotment of site — Forfeited entire lease amount paid by petitioner — (i) Whether respondent right in forfeiting entire lease amount? — (ii) Whether respondent can cancel lease without giving adequate opportunity for petitioner? — Due to financial constraints petitioner could not commence construction — Case of petitioner not considered in a proper perspective — Sub-rule (7) of Rule 10 of Rules does not empower respondent to forfeit entire lease amount — At best respondent can forfeit only 12.5% of lease amount and has to refund balance to petitioner — Writ petition allowed — Matter remitted to respondent to reconsider case of petitioner — [Constitution of India, Articles 226 and 227].

K.L. Manjunath, J., Held: It is clear that respondent has not considered the request of the petitioner for extension of time. Only on the ground that petitioner has failed to construct the building within the stipulated time, resolution was passed to forfeit the amount and to cancel the lease. The site in question was leased in favour of the petitioner to commence a Kannada Medium School. According to the petitioner, due to financial constraints,

petitioner could not commence the construction. This aspect of the matter has not been considered by the respondent in its resolution dated 13-11-2001. Since the reasons assigned for cancellation of the lease is on an altogether different ground, it has to be held that the case of the petitioner has not been considered by the respondent in a proper perspective. While cancelling allotment made in favour of the petitioner, respondent has forfeited the entire lease amount deposited by the petitioner. Sub-rule (7) of Rule 10 of the Bangalore Development Authority (Allotment of Civic Amenity Sites) Rules, 1989, does not empower the respondent to forfeit the entire lease amount. — *Indian Education Society (R), Bangalore v The Commissioner, Bangalore Development Authority*, 2004(6) Kar. L.J. 272: ILR 2004 Kar. 4349.

11. Voluntary surrender.—An allottee may, at any time, after the allotment, surrender the civic amenity site allotted by the authority. On such surrender, the authority shall refund the amount paid by the institution to the authority in respect of the said civic amenity site.
